## SUMMARY

---

Full Stack Developer with 2+ years of experience building scalable web applications using Laravel, PHP, JavaScript, and MySQL. Strong foundation in data structures, object-oriented programming, and database design. Experienced in developing admin platforms, HR systems, and financial applications with multi-tenant architecture. Passionate about writing clean, maintainable code and solving real-world problems.

## TECHNICAL SKILLS

---

**Languages:** PHP, JavaScript, Java, SQL,

**Frameworks:** Laravel, Node.js

**Frontend:** HTML, CSS, Bootstrap, Tailwind CSS

**Databases:** MySQL

**Concepts:** OOP, Data Structures, Algorithms, DBMS, MVC

**Tools:** Git, WordPress, Shopify, Figma

## EXPERIENCE

---

### Full Stack Developer

2024 – Present

- Designed and developed backend systems using Laravel and MySQL for business-critical web applications.
- Built REST APIs, role-based access control, admin dashboards, and reporting modules.
- Optimized database queries and improved application performance and maintainability.
- Collaborated with cross-functional teams to debug production issues and deliver features end-to-end.

## PROJECTS

---

### WEBAUTOMAX — Unified Admin Platform

Mar 2025

- Developed a single admin dashboard for service, product, and e-commerce websites.
- Implemented product management, inventory, orders, shipping, payments, and reviews.
- Created scalable architecture similar to Shopify-style platforms.
- **Tech:** Laravel, MySQL

### Got It — HR Management System

Dec 2025

- Built HR modules for attendance, leave management, shifts, and payroll support.
- Enforced multi-tenant architecture with encrypted data and separate databases.
- Supported biometric, facial, and geo-based attendance methods.
- **Tech:** Laravel, Node.js, MySQL

### Bill Edge — Fee Management System

- Led development of a fee management platform for schools and institutes.
- Managed student records, fee structures, receipts, and financial reports.
- Supported multi-payment options and accounting workflows.
- **Tech:** Laravel, Node.js, MySQL

## EDUCATION

---

**M.Com**, Dravidian University — GPA: 7.62/10

2022

**B.A. Account Statistics and Computer Applications**, S.V. University — GPA: 6.90/10

2020

## COURSEWORK

---

Data Structures, Algorithms, DBMS, Object-Oriented Programming, C, C++
